

to vote for the policy that economic development should be addressed across the whole state, money invested across northern central and northwest Nebraska, and it's just as important as money invested in Omaha, or Lincoln, or southeast Nebraska, because if we just have economic development along the interstate and in the big cities, we might as well all just move into town, then we'll really have some fun redistricting programs in the future.

PRESIDENT MOUL: One minute.

SENATOR MORRISSEY: I'm sorry, I can't support the funding now, I really want to, but I'm just...all the facts and figures don't come together anymore. And with that, Madam President, I would simply ask to pull the bracket and just let you vote, up or down, on the A bill and run it that way. Thank you.

PRESIDENT MOUL: Thank you, Senator Morrissey. If there are no objections, it's so ordered. Is there anything further on the bill? We'll proceed with Final Reading on LB 783A.

CLERK: (Read LB 783A on Final Reading.)

PRESIDENT MOUL: All provisions of law relative to procedure having been complied with, the question is, shall LB 783A pass with the emergency clause attached? All those in favor please vote aye, opposed nay. Have you all voted? Have you all voted? Please record, Mr. Clerk.

CLERK: (Read record vote as found on page 2848 of the Legislative Journal.) 21 ayes, 19 nays, 7 present and not voting, 2 excused and not voting, Madam President.

PRESIDENT MOUL: LB 783A fails with the emergency clause attached. We will now vote on LB 783A without the emergency clause. All those in favor please vote aye, opposed nay. Have you all voted?

SENATOR LAMB: Madam President, I'd ask for a roll call vote.

PRESIDENT MOUL: Mr. Clerk, please proceed.

CLERK: (Roll call vote taken. See pages 2848-49 of the Legislative Journal.) 24 ayes, 20 nays, Madam President.
